## The *right place* for you to invest

Currently, we have active investment relationships with over 9000 traders and fund managers worldwide. We are a consistent partner and therefore prefer to invest in several generations of funds.

- ✓ Primary and secondary market and co-investment transactions in North/South America, Europe, Asia and Africa
- ✓ Growth capital and buyout opportunities in all size segments, selective interest in venture capital in Asia

- ✓ Ongoing interest in building relationships with new fund managers, preferably outside of/ahead of formal fundraising processes

Our investment managers work from offices in Munich, London, Luxemburg, New York, and Singapore. While each office and team has a regional focus, the global team also works together on a variety of transactions.

### **Intellectual honesty**

We pursue a rigorous and objective analysis of investment opportunities. Thorough, open, honest and if necessary controversial discussions help us weighing the merits and issues of opportunities to determine an adequate balance of risk and return.

### **Integrity**

We do everything to continuously earn trust as our reputation is at the heart of our success. We say what we mean and we do what we say.

### **Accountability**

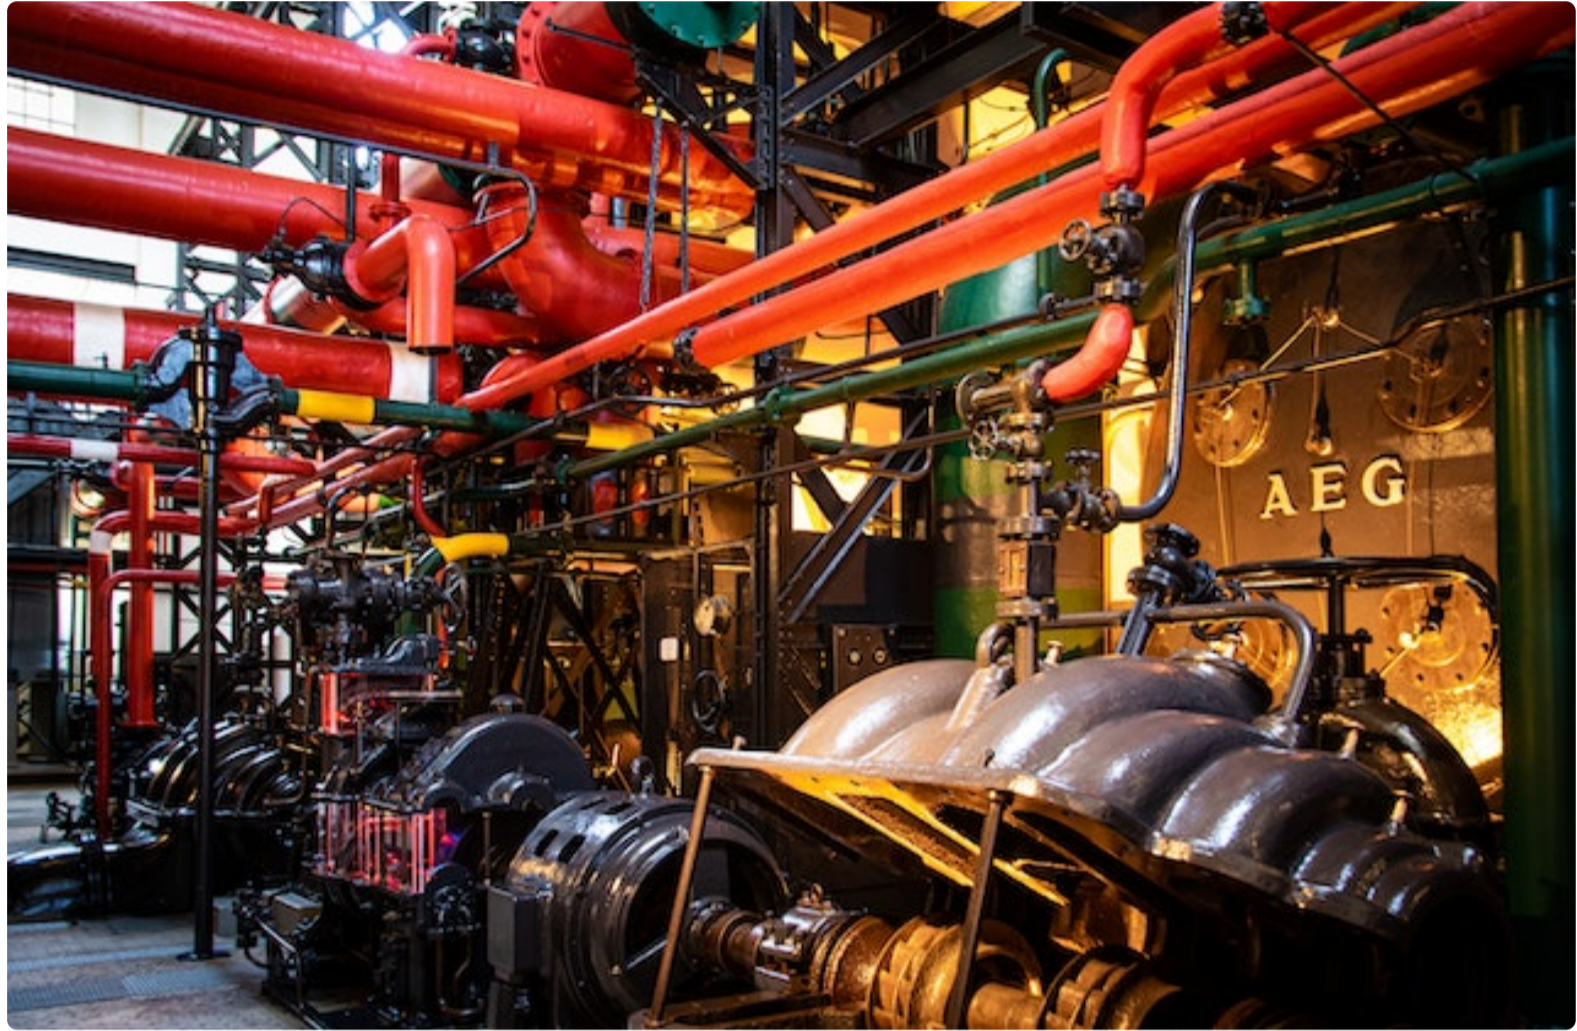

We are accountable for our actions. If an issue emerges we bring it forward immediately and work on it with a solution-oriented mindset.

### **Result Orientation**

We take ownership for delivering high quality results on time. We embrace opportunities and rather think about how we can make something work instead of why it would not work.

# Our Services

## Oil & Gas Investment

Surprising as it might be, anyone can invest in the oil market to make a profit. Indeed, the development of online trading platforms has allowed individuals to use their savings to speculate on rising or falling oil prices.

# Sustainable Investment

Investment management is an integral part of the insurance business, as the premiums of Matrix Wave clients are invested to meet long-term liabilities. Matrix Wave worldwide investment activities comprise assets of over USD 850 billion across a range of asset classes, sectors and countries. As a result, Matrix Wave is directly and indirectly connected with other businesses, sectors and economies, and is therefore an integral part of the global economy.

# Matrix Wave Offers Card To Investors On Diamond Plan

The partnership aims to fill a gap in the traditional financial system that has left many without access to essential banking products. According to a 2017 survey by the FDIC, 25 percent of U.S. households are unbanked or underbanked, while global numbers have reached a staggering 1.7 billion, according to data released by the World Bank. Through BlockCard, Matrix Wave investors can have a virtual card issued to them while a physical card is mailed to them. The card has a minimum of \$5000 balance needed. It can be used at over 45 million merchants and ATMs – anywhere in the world where major credit cards are accepted.
